“Taste and see that the LORD is good; blessed is the one who takes refuge in him. Psalm 34:8

During intense Stag Recession that is set in a seemly post apophatic backdrop of the once great city of Los Angeles, we had a fruitful ministry year, beyond all expectations! It was a tough year, and we still have bills that are yet to be paid, we got through it! Thank-you for your contributions and partnership with us. We close out 2022 well. We, the board and the staff of *Into Thy Word Ministries*, give our utmost gratitude and indebtedness to our Lord and Savior Jesus Christ for the incredible work He has enabled us to do.

Keep in mind, we are a small and unassuming ministry, yet our LORD has used us beyond what we thought was possible since 1978. He has used us for helping churches with Discipleship, Pastors for their training, Church and Planters for their equipping. He also used us to provide several million downloads of our resources. We also have our Research, Conferences, Web Ministry and Curriculums.

Our Lord has also used us for Starting and Transforming Healthier Churches that glorify our LORD.

By Christ’s grace, we are called and empowered... By your partnership, the ministry is growing.

We were able to continue on in this ministry because of your partnership, as our Lord has used us to be an impact. **Thank-you!**

By the means of ‘traditional missions,’ serving this way since 1978:

- We equipped, beyond our count, Bible students and pastors with our resources.
- We are training over 20,000 pastors in over 80 countries and enabled us to help them to plant hundreds of churches.
- We held over four pastor’s conferences in crucial areas in the world, like S/C Asia. And we have more in development for 2023!
- We held two international pastor’s conferences with over 1,500 pastors in attendance with the needed, impacting information for with our ministry partners.
- We continue to research and publish, post-doctoral level research on church trends and pastor’s lives with the Schaeffer Institute.
- We participated in many major conferences like *CMTA*, connecting with over 1,500 pastors and church leaders at workshops and conferences.
- We provided the essential training materials to over 100,000 pastors worldwide through other partnered ministries!

- We hosted over 1,000 pastors overseas in the harshest of circumstances in our partner training centers.
- We held three seminars on Church Trends, Inductive Bible Study and Church Leadership Development after a three-year hiatus due to COVID.
- We published over 25 new Biblical resources and in-depth Bible Studies that equip and serve thousands of churches worldwide.
- We continued our partnerships with dozens of ministries, like Bible Gateway, Olive Tree, iDicile, Trochia and Discipleship Tools, and many others, helping them with devotions, Bible reading guides, research, curriculum, and discipleship materials.
- We Consulted with scores of churches to help them grow and navigate changing times and the global lockdown.
- We collected and gave away hundreds of Bibles, books and needed resources to pastors and church leaders around the world.

By cyber means of internet and social media, serving since 1989:

- We had over 10,170,000 unique users and millions of more page hits; who came to our websites, not including our bogs in 2022!
- We had over 123,000+ unique visitors to our websites and blogs each day.
- We have over 1,850,000 connections in social media through our 'secret' Facebook groups and 'open' pages! Where we inspire and equip. Our resources are also used by other ministries that we can't tally.
- We continue to operate some of the top websites like churchleadership.org, with new quality content.
- We have over 15,000 pastors on our *Ezine* Newsletter that we send out!
- Our online ministry is in the top 10 Christian ministries in the world!

We are big on a real impacting ministry, small in administration.

The ministry continues well, we want to give you all of the stories and details, but due to the areas we serve and the people we work with, that is just not safe for our people or us. Giving is always a challenge in missions, as it is with most ministries... Yet, we persisted. We have 8 passionately dedicated board members, over 200 people who support us, 2,500 people who wholeheartedly work with us, and even more planned for 2023!

We extend our deepest appreciation to all of you who prayed and supported us through the year!

Please continue to pray that God will increase our impact on pastors worldwide, helping them better know the precepts of the Bible to better engage their church and community for God's glory!

We can't do this vital Ministry without you! Please help us grow!
