

Into Thy Word Happenings

Into Thy Word Ministries is about equipping Church Leaders and Pastors around the world to better understand and apply the Bible. **You can be a part of this, too!**

The Word became flesh and made his dwelling among us. We have seen his glory... John 1:14

Devotional

Because The Word had become flesh, the Gospel enters as his dwelling among us. The transforming and the convicting power of God. It transforms our innermost being, thinking, and social relationships by virtue of the dynamics of His love! Thus, what Christ has done must affect our lives and affect our attitudes toward the people around us. Not just as a Christmas theme; but rather, as what Christianity is. An offering to others in gratitude, for what Christ has done. Pleasing ourselves is not the goal of the

Christian life as so many pursue. **We are to follow Christ and be imitators of His character, so it transforms our character.** We are doing this through love and acceptance of others as Christ did with us even though we deserve nothing.

We may think that God plays favorites, as some people just seem blessed while others are under constant struggle. However, we can take comfort that God does not play favorites; we all are

His favorites! Blessings of the world are never a sign of God's favor; they will fade. The faith we exercise will only build, and we will come to see more bountiful blessings than we could ever have imagined. God is more concerned about what we do than with what we have than what we actually have! Always remember that Christ is our living Hope that will never fade away. Because He paid for us, we owe Him more than we could ever know!

No matter what we face and what we go through...

Prayer Points:

- For more ministry supporters and prayer warriors!
- For the Lord to use us to minister as we research and develop books, resources, and curriculums for pastors, discipleship, and biblical church leadership development.
- Pray for a relief and victory over our spiritual warfare situations!
- Wisdom in what to do with our financial and living situation.
- Healing for Richard and good health for us, as well as wisdom and resources so we can better partake in the opportunities God has!

Nothing prepares a pastor better to lead a church than knowing and applying God's Word into his life first. Into Thy Word does just that!

Family Happenings

We would like to take this time and say THANK-YOU!

Without your prayers and support, our family and ministry would not be giving God as much glory as we had in 2022!

We have had a great year! Richard's MS is under control. He is working at ITW and at Institute for Educational Advancement, as well as a financial advisor. This way he can serve even better in fulltime ministry in different ways with those in the greatest need, here and overseas.

Ryan is active in Boy Scouts and just became a Life Scout, and now is

working on Eagle. He is in his 13th year of Karate and Music and in 11th grade. Now he is seeing ahead to college opportunities. He went on a college road trip with his school Aveson in Altadena and discovered that new world for his future. He also went on his first solo missions trip to Texas to work with Attack Poverty with our home church Lake Avenue Church in Pasadena. Where he worked on helping migrant workers' homes. This was transformational for him.

Please keep us in prayer and remember we serve at God's pleasure and are always in need of prayers and support...

"We are Grateful for your Prayers and Support!"

Ministry Happenings

Thank you for helping keep us active on the mission field for over thirty years.

As we come to the close of 2022, we, the board, and staff of *Into Thy Word Ministries*, fall in humbleness and gratitude to our Lord and Savior Jesus Christ for the incredible work He has used us for. We got through a very tough year! He has provided for the transformational encounters with the true Truth of God's Word in eighty countries with

countless people's lives all around the world. Our LORD Jesus Christ has used us mightily in the areas of Discipleship, Pastor Training, Research, Church Planting, and Curriculum Development for the goal of Building Healthier Churches that glorify our LORD.

The ministry flourishes, by His empowerment and call, and most of all by His grace...

We had three great conferences, one in the States and two in S/C Asia

and we are gearing up for 2023 and beyond. Stay tuned for our yearend ministry report.

We can only do this with your partnership with prayers and support!

We Equip Pastors, Plant Churches, build Discipleship Tools, and Conduct Conferences.

Our Purpose is to point to the Supremacy and Centrality of Christ, and with your partnership we can expand God's Kingdom by becoming and developing wholeheartedly, fully-engaged followers of Jesus Christ.

Our Future... Your Partnership!

This is a busy time of the year, so I'll get right to it.

"Into Thy Word is an incredible ministry, crucial for my churches and what we do." Pastor Louis, church planter, India.

"Into Thy Word is like a Bible college where all we need, research, education, materials, all on our phone." Pastor Sandhu, SC Asia.

We are a small mission organization with boots on the ground actively doing a much-needed ministry. We also run some of the

top Christian websites in the world along with our pastoral training and church planting in 80 countries. We serve over 20,000 pastors in the field and 25+ million users online, and we have costs like any other top sites: staff, bandwidth, software, servers, development, programs, and people.

We need your help again this year. Please help us forget about fundraising and get back to serving the Lord.

As we near the end of 2022 we ask that you consider making one last

financial gift to *Into Thy Word*, of ministry support, and or a note that it is for the Krejcirs, of any amount. You will receive a tax deduction for your gift. Please consider our ministry and be in prayer as to what our Lord would have you do.

We need to hear from you today.

Partner with us and share in the fruit God is doing through us!
